# Mercedes-Benz 15-Seater Sprinter Van

Mercedes-Benz is synonymous with luxury and the Sprinter Van is no exception. Easy to drive and roomy, our 15-seat Passenger Sprinter includes contoured bench seats with individual headrests, an incredible amount of legroom, ample luggage space and a flat screen TV & DVD player.

These vans get great fuel economy as compared to other less spacious passenger vans.

So bring the whole group, suitcases, golf clubs, bicycles, furry friends.
