Please Attach your Driver’s Insurance here:

Your insurance needs to have **COLLISION AND COMPREHENSIVE COVERAGE** and it needs to be **TRANSFERABLE TO RENTAL VEHICLES**. It also needs to cover vehicles over 1 ton and 15 passenger vehicles whenever applicable. A Sprinter Rentals Representative will call your insurance to verify its coverage and deductible and inform you if there is not enough coverage.

Purchasing one of our Supplemental Insurance Packages or Damage Waivers Packages will not replace your liability, instead they might extend your coverage or waive you for specific amounts for damages to the rented vehicle.
